

**Sermon Title: Get Real! (pt. 5)
A Study of The Epistle of James
Introduction: James 2:1-13**

The vision of Bethlehem Church is to help people grow in spiritual maturity to become "Just Like Jesus". How is this accomplished? Is it happening in your life? The Book of James can help us get there. But spiritual maturity does not come easily. If I am to grow spiritually, not only must I be properly related to the Bible, (1:19-27), but I must also be properly related to the Body of Christ. In today's text, James points out the dangers of prejudice and how to overcome it.

God calls me to show:

I. _____ to all (vss. 1-4)

II. _____ for all (vss. 5-9)

III. _____ in all (vss. 10-13)
