

“Get Real!” (pt. 8)
A Study of the Epistle of James

James 3:13-18 (NIV)

The vision of Bethlehem Church is to help people grow in spiritual maturity to become “Just Like Jesus”. How is this accomplished? Is it happening in your life? The Book of James can help us get there. But spiritual maturity does not come easily. If I am to grow spiritually, I must learn perseverance in trials, resist temptation, treat others fairly and display a living faith. As Chapter 3 begins, James explains that the best evidence of spiritual maturity is the ability to watch my mouth. Now in 3:13-18 we see that the key to right “talk” is right “thought”.
